

PRODUCT UPDATE NOTICE

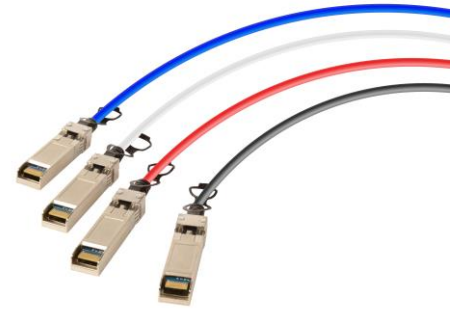

Date: 2021APR27

Product Description:

High Speed Interconnects 10G SFP+ and 25G SFP28 Direct Attach Cables (DACs)

To better serve the growing global High Speed Interconnect market, Siemon will now provide Country of Origin (COO) specific DACs supplied solely from our Mexico facility. These product part numbers are to be used when North American made DACs are required such as for Trade Agreement Act (TAA) compliance including General Services Administration (GSA) or for logistic reasons.

10G SFP+ and 25G SFP28

North America COO Specific DAC

Part Number	Description
S1S10P-(XXX.X)G(XX)	CBL ASSY,HS,10G,DAC-PASV,SFP+,LSOH/CM,GSA
SFPH-P-(XXX.X)G(XX)	CBL ASSY,HS,10G,DAC-PASV,SFP+,LSOH/CM,CISCO.GSA
S1S28P-(XXX.X)G(XX)	CBL ASSY,HS,25G,DAC-PASV,SFP28,LSOH/CM, GSA
